terror attack, Shah said: “Not at all...This (Thakur's candidature) is a satyagraha against a fake case of saffron terror. This is a satyagraha against how the Congress compromised the nation's security for the sake of its votebank politics.”

“Some people were caught in the Samjhauta Express case, the CBI said these people are associated with the LeT. American agencies also supported this that these people are associated with the LeT. A fake case of saffron terror was made in which all have been acquitted. The courts have said that saffron terror is imaginary,” he said.

“So, who is responsible for the people released, granted ₹5 lakh compensation, and security compromised for votebank politics? The Congress party is responsible. I demand that the Congress president apologise for defaming Hindu culture and compromising national security,” he said.
